It was great to have a break in the middle of the awards for mingling.  
Don't put the table next to the bar so close to it - the lineup was awkward for that table.

**Q1** Would you consider attending the Distinguished Alumni Awards again next year? Why or why not?

depends on who is getting the award.

---

**Q2** Would you recommend this event to friends and colleagues? Why or why not?

Would recommend because it is important to support our award recipients. It is pricey.

---

**Q3** Would you like to stay on the Distinguished Alumni Awards Dinner invitation list for 2020? **Yes**

---

**Q4** Additional feedback:

Caterers met my special dietary requirements very nicely. but I would recommend that you hire a different sommelier. The red was too jammy and the wine too sweet. The wine at the bar was similarly terrible for the price. There are way better inexpensive wines to complement the meal.
