Reference Letter for PLAR Competency-based Portfolio Assessment Daryl Drozda-
T00208489

Daryl Drozda has been an employee with the Advancement office at Thompson Rivers University since June 2017. I verify that the information included in the Autobiographical Resume and Prior Learning Summary Part One, Subject two: Event Management, is true. Daryl has shown tremendous growth in her communication, critical thinking, information organization, numeracy and problem-solving skills during her time in our office.

I recommend that Daryl be awarded the total amount of credits she is petitioning for.

Please do not hesitate to contact me for any additional information.

Kind Regards,
